PAN INDIA**

LEADERSHIP TEAM

Founded and promoted by Mr. Anil Jagasia in year 1986, the other core members at Savex include Mr. Jayant Goradia - Managing Director, Devang Pandya - CTO & Director, Raunak Jagasia - President Enterprise Business & Alliance, Mahendra Wahile - Director, Saurabh Naik - Director and Atul Gaur - Director.

MR. ANIL JAGASIA
Founder & Chairman

Founder of Savex, Anil Jagasia is an Alumnus of VJTI Mumbai and a Rank Holder. With 39+ years of industry experience, Anil is a First Generation Entrepreneur. Always smiling and adored by his employees, he loves being outdoors. You will find him briskly walking every morning on Marine Drive to see the sunrise and catching the wind on his sail boat every evening off Gateway.

MR. JAYANT GORADIA
Managing Director

Jayant Goradia, Managing Director with 37+ years of industry experience. An Alumni of IIT Bombay, seeks perfection in every department and is the most approachable person. He is also a director at Technology Distribution Association of India (TDAI), he is also passionate about Indian music and loves to travel in his free time.

MR. RAUNAK JAGASIA
President

A second-generation owner of Savex Technologies Pvt. Ltd. — India's second - largest broadband ICT distributor. Mr. Raunak serves as Director of Business Development & Corporate Strategy and Board Member, spearheading M&A, corporate strategy, and new ventures while holding direct oversight of day-to-day operations.

PRODUCT SEGMENT

COHESITY

Backup & Recovery Solution, Purpose Built Backup Appliances, Object Storage, File Shares, Cloud Data Protection, Backup Analytics.

CATO
NETWORKS

Cato Networks delivers secure cloud-native networking by unifying SD-WAN, Zero Trust access and threat prevention into a single global platform.

COMMSCOPE®

An end-to-end connectivity solutions provider delivering wired and wireless infrastructure innovations that power smart buildings, data centers, and Next-Gen broadband networks.

 **ddn**

A leading AI data intelligence platform that powers high-performance computing, AI factories, and enterprise-scale data Infrastructure for the world's most demanding workloads.

D-Link

Networking Active and Passive Products, CCTV, Switches, Rack Enclosures & Adapters.

 **DELTA**

UPS ranging from 600va till 1200kVA mentioned in the starting itself. Uninterrupted Power Supply (UPS), Active Power Filters, Data Center infrastructure solutions, Micro Data Centre, Power Distribution Unit (PDU), Rack Power Distribution unit (rPDU) and Static Transfer Switches (STS).

dyson

A technology-driven brand reinventing home and personal care through advanced engineering in air purification, vacuum cleaning and hair care powered by proprietary motor and airflow technologies.

 **Everpure**

An intelligent, unified storage and data management platform eliminates silos and downtime, automates operations, and shrinks risk. Built to scale across all AI, hybrid cloud, and mission-critical workloads.

FORTINET

Security, Firewall, Networking, Switching, Wifi, Cloud Security.
